Holiday season is here and we're excited that all the good stuff is on the menu! Speaking of good stuff, **Stuffing Bread** is back on Thursday! This bread, containing celery, onion, sage, thyme, and pepper, makes excellent Thanksgiving stuffing by itself, but don't forget an extra loaf for sandwiches with leftovers! The combination of cranberry and orange couldn't be more autumn so we have muffins on Tuesday and the bread on Wednesday **We will have a specialized menu the week of Thanksgiving that will debut leading up to the holiday.** Get your Thanksgiving orders in soon, especially for limited items such as Pecan Pies, Maple Pumpkin Pies, and Pumpkin Oh's!  
 WE ARE THANKFUL FOR OUR CUSTOMERS, HAPPY THANKSGIVING FROM THE STAFF OF CVILLE GREAT HARVEST.

## salads

All of our sandwiches can also be ordered as salads! They will be served as a bed of mixed greens, topped with tomato and cucumber, and the sandwich's "toppings." Don't forget a big slice of bread from the breadboard!

## Bread Care

Once your bread is cool to your wrist (usually 2 hours after you leave the store), just place it into the plastic bag we give you, press out extra air, twist the top of the bag a few times and tie off with a twist tie. Never put your bread in the fridge. This causes the honey to crystallize and dries out your bread. Our breads stay fresh for 7-10 days when properly stored on your counter. If your bread contains cheese, it does need to be refrigerated within 48 hours of purchase.

## Freezing Bread

Our bread freezes very nicely! Double bagging helps to prevent freezer burn. It is best to wait 24 hours after purchasing before freezing it. Be sure to thaw the bread in its bag.
