## SALADS

*All of our sandwiches can also be ordered as salads! They will be served as a bed of mixed greens, topped with tomato and cucumber, and the sandwich's "toppings." Don't forget a big slice of bread from the breadboard!*

## BREAD CARE

*Once your bread is cool to your wrist (usually 2 hours after you leave the store), just place it into the plastic bag we give you, press out extra air, twist the top of the bag a few times and tie off with a twist tie. Never put your bread in the fridge. This causes the honey to crystallize and dries out your bread. Our breads stay fresh for 7-10 days when properly stored on your counter. If your bread contains cheese, it does need to be refrigerated within 48 hours of purchase.*

## FREEZING BREAD

*Our bread freezes very nicely! Double bagging helps to prevent freezer burn. It is best to wait 24 hours after purchasing before freezing it. Be sure to thaw the*

*bread in its bag.*
